

Builder Testimonials

*"I found the **California Performance Guidelines for Residential Construction** to be very helpful in establishing clear expectations about construction for our homebuyers."*

-- Steve Doyle, President
Brookfield Homes, San Diego
Riverside Division

*"Signature Properties is using both the **California Building Performance Guidelines** and the **National Home Maintenance Manual** to meet its compliance for SB 800."*

-- Jim Ghielmetti, Chief Executive Officer
Signature Properties, Inc.

*"Every new Centex Homes homeowner in California receives a copy of the **National Home Maintenance Manual**."*

-- David Barclay, Executive Vice President
West Coast Centex Homes

*"Since the passage of SB 800, our company provides a copy of the **California Building Performance Guidelines** to each of our new homeowners."*

-- Harry Elliott, Chief Executive Officer
Elliott Homes, Inc.

*"We reference the **California Building Performance Guidelines** book constantly. It has cut down on the number of frivolous service calls."*

-- David Griffin, Vice President
Griffin Industries

"Standard Pacific Corp. bought these books for use by our field personnel and our customer service representatives."

-- Michael Cortney, President
Standard Pacific Homes
