

Customer Testimonials

"As a consumer advocate, I was amazed to learn the degree of homeowner responsibility in a new home purchase. Thank you for educating us."

**-- Sandy Skipper Lopes, National Director
Homeowners Against Deficient Dwellings (HADD)**

"It's a great book; you did a wonderful job on it."

**-- Paul Siegel, Chief Building Official
City of Dixon, CA**

*"The **California Building Performance Guidelines for Residential Construction** is a very valuable, informative and useful publication...it can be viewed as an invaluable reference to mitigate disputes between builders and homeowners."*

**-- Tyler Berding, President
Executive Council Homeowners, Inc. (ECHO)**

"Thanks for your Guidelines. I am passing it around the office for review and use by our attorneys and I am sure it will be a fixture in our library. You can expect to see citations from your Guidelines in our papers."

**-- Ralph Rhoades, Attorney
Lynch, Gilardi & Grummer
San Francisco, CA**

"As a guideline, it is very thorough and comprehensive, and provides information that will help our investigators and the people who do our arbitrations."

**-- Stephen Sands, Registrar
Contractors State License Board
Sacramento, CA**

"Your book on standards and maintenance guidelines will be a help to all involved in residential construction."

**-- Paul Bloomberg, President
California Real Estate Inspection Association
Golden Gate Chapter, San Francisco, CA**
